

Greetings!

The North American Mixing Forum (NAMF) and International Symposium on Mixing in Industrial Processes (ISMIP) is pleased to invite you to the upcoming MIXING XXVIII and ISMIP 11 Conference to be held at the Banff Centre for Arts and Creativity in Banff, Alberta, Canada from June 24 to June 27, 2024.

Continuing with our tradition of presentations and discussions of path breaking research material in a collegial environment with open-minded and fruitful mixing discussions, *there will be no published proceedings and formal papers do not need to be submitted.* We do however request authors to submit abstracts for their intended talk.

Topics of interest include:

- Single Phase Mixing
- Multiphase Mixing
- Mixing Under Extreme Conditions: Rheology, Reactive Systems, Localized Concentrations and less frequently seen conditions
- Computational Simulations and Modelling
- Novel Mixing Techniques and Mixers
- Mixing Education
- Industrial Applications and Troubleshooting

Guidelines for Authors and Important Dates

Abstract length: 300–600 words
Deadline to submit: February 16, 2024
Authors' notification: March 14, 2024
Conference Website: <https://mixing.net/mixing28/>
Please submit your abstract to:
mixingXXVIIIabstracts@gmail.com

NAMF Student Award Competition

We showcase our upcoming young talents with our biennial Student Award Competition. Guidelines for submissions, details of the procedure, and deadlines for submission are provided at <https://mixing.net/awards/student-award/>

How to Contact Us:

For general inquiries please contact the conference chairs. For any inquiries regarding the technical programme please write to

mixingXXVIIIabstracts@gmail.com

We look forward to seeing you and sharing good mixing experiences at the Banff Centre for Arts and Creativity, Banff, Alberta, Canada!
